We'd like to thank all our customers for trusting us when they sold us their unwanted gold, silver, and platinum jewelry, sterling flatware, gold dentures, US and foreign coins, old bills, pocket watches and other collectibles. Since opening our BBB-accredited business 15 years ago, we've paid out over \$11 million.

### **We are not a pawn shop.**

All our transactions are handled in a clean, professional environment with discreet and courteous attention given to our customers. We are available off-hours to accommodate those customers needing special attention.

Since most of our business is through word-of-mouth from our satisfied customers throughout all of Connecticut (which include doctors, lawyers, police officers, and town officials), we keep our advertising costs low.

Don is our staff numismatist with over 27 years experience in coins and currency, grading and authentication, and market valuation.

Steve is our resident retired police officer and has an outstanding funny personality, that warms everyone's hearts.
